Student Leadership Summit

For students, by students! This year's SLS program, organized by Purdue ITE Student Chapter, features a keynote address by the INDOT Commissioner, offering insight into statewide transportation priorities and leadership. Attendees will benefit from sessions on professional certifications, early career involvement and leadership, as well as a student-led roundtable focused on chapter growth and engagement. The SLS will be rounded out with a technical tour showcasing real-world transportation projects and the Student Design Competition, where teams put their skills to the test in a real-world challenge.

GLITEy Race

The GLITEy Race is a scavenger hunt in the vein of "The Amazing Race", in which teams of 4-5 people find and complete checkpoint stops given by clues around Downtown Indianapolis. Each stop consists of activities that may be fun, challenging, or even embarrassing, but every stop must be checked off by the checkpoint marshal before they head to the race finish line. The cost is \$10 per person with all proceeds going to the ITE Great Lakes District Endowment Fund. It'll be a great time for an awesome cause. Each person signs up individually for the GLITEy Race, and if you don't have predetermined team members decided,

race officials will group you together with a team. **The starting point for the race will be at the conference registration area in the Grand Hall Foyer of the Crowne Plaza.** If you forgot to register, we have space for you to join day of, just sign up at the starting point 15 minutes before race start. Bring your energy and some water! Please email Matt Olson (matt.olson@burgessnipl.com) for additional information.

Welcome Social at Punchbowl Social

Welcome to Indianapolis, Indiana! We invite you to join us for dinner and fun at the glamorous Punchbowl Social just down the street from the hotel at 120 S Meridian Ave from 5pm until 8pm. Come spend an evening to socialize with friends & colleagues, grab dinner & drinks, and unwind with bowling, arcade games, and more! We will be providing dinner which includes a build your own taco station, along with an open bar. *Registration to the Welcome Social is included with a two-day meeting registration.*

Tour Information

Cultural Trail Tour

MONDAY, JUNE 9: 2:00 - 4:00PM

The Indianapolis Cultural Trail is a world-renowned linear park and bike path connecting downtown's vibrant cultural districts. As the hub for central Indiana's greenway network that infuses art and nature and provides a beautiful and accessible way to explore Indianapolis via bicycle. The tour will highlight the White River Expansion, the newest segment of the trail that connects downtown's cultural districts to west Indianapolis neighborhoods, as well as the new Elanco Global Headquarters and Indy Eleven Campus. We hope you join us for an exciting ride through downtown Indy.

Meet outside
Illinois St. Entrance!

IndyGo BRT Tour

MONDAY, JUNE 9: 3:00 - 5:00PM

Explore Indy through IndyGo's BRT Red Line and Purple Line Network, an innovative bus rapid transit line that has reimagined infrastructure, amenities and future-ready vehicles. Join us to learn more about the IndyGo BRT transit stations, a healthcare facility built along the Purple Line, the positive impacts the BRT had on the Indianapolis community and have a fun coffee break in the Broad Ripple District. This tour will be moderated by IndyGo's very own Carrie Black, Chief Public Affairs Officer.

Meet inside
Illinois St. Entrance!

IMS Tour

TUESDAY, JUNE 10: 1:30 - 4:00PM

Have you ever wanted to take a lap around the Indianapolis Motor Speedway? Now's your chance! Our "Kiss the Bricks" tour is a narrated, 30-minute bus tour that features one lap around the famous 2.5-mile oval with a stop at the start finish line and the historic yard of bricks. Since 1996, race-winning drivers have celebrated their victory by kissing the bricks. Now, you can experience this tradition for yourself!

Meet at Registration
Desk in Grand Hall!

INDOT TMC Tour

TUESDAY, JUNE 10 1:30 - 4:00PM

A Traffic Management Center (TMC) operates as a control center for transportation operations. INDOT's TMC oversees operations such as traffic signal systems, traffic incident management, managed lanes and traveler information strategies to ensure that roadways operate smoothly. Learn how INDOT handles traffic for big events, Taylor Swift tours, and emergencies. The tour will be hosted by INDOT's Ed Cox.

ITE Great Lakes District Endowment Fund

The ITE Great Lakes District Endowment Fund was created to serve as an additional outlet for returning value back to the members of the District. At this stage, the Endowment Fund prioritizes helping young members and students to attend district meetings with monetary awards to be used to travel, lodging, registrations, and other associated costs. The Endowment Fund is intended to give aid to the members who need it most, whether that means agency members, students, or members whose workplaces might not make meeting reimbursements possible. As of this meeting, the Endowment Fund is up to \$20,000. We're also excited to share that one of our Platinum Sponsors, Harrison Consulting, covered registration costs for 12 students! **There will be a silent auction throughout the Annual Meeting to raise funds for the Endowment Fund.**
